Mark	ISI marked, BIS approved

WHICH SIZE

Size	Good for
2 kg	Cabins, reception desks, nurse stations, single server racks
4 kg	Server rooms, labs, hotel floors
6 kg	Larger rooms, corridors and equipment halls

SUITABLE FOR

- Data centres and server rooms: no powder on servers, and a finish that suits a clean technical space.
- Hospitals, clinics and diagnostic labs: no residue on costly equipment, and a body that can be wiped down often.
- Hotels, lobbies and premium offices: fits the interior instead of standing out as a red cylinder.
- Research labs and coastal facilities: resists the humid and salty air that rusts painted steel.

Spec sheet for quotation and tender use. Prices are not included; ask for a GST quotation at sales@firespray.in or on WhatsApp +91 72 4747 6161.
